Think of Cuvee L as super-charged Lewis Reserve Cabernet. Red wine at red-line. First created from the spectacular 1997 vintage, the single best barrels from our finest lots fuel this rare and racy wine. Cuvee L is not produced every year. It is only blended when we have the components to create a wine of greater intensity, depth and distinction than our Reserve Cabernet. From the outstanding 2004 vintage, we've created a pole-position wine. Available for the first time in a classic black, lacquered wood 3-bottle box we are proud to present the heavily boosted, tire-smoking 2004 Cuvee L. Cedar and oak spices with blackberry, vanilla and espresso ignite with a final turn of the corkscrew. Black fruit coats the pistons while high-octane tannins, like fuel injection, propel the wine with power and precision to a finish that goes on long after the checkered flag. Fasten your seatbelt!

“Dark, rich and extracted. Shows layers of ripe currant, blackberry, espresso-tinged oak and subtle nutmeg-hazelnut and cedary oak flavors that are still slightly raw and disjointed, but deeply concentrated. Cabernet Sauvignon and Cabernet Franc.”
