Syrah has often been the most compelling wine in the Lewis line and our 2004 Napa Valley is as provocative as ever. Crafted from two tiny Syrah blocks near the 1,500' summit of Pritchard Hill, this 100% Syrah is inky dark yet radiant in the glass, with enticing aromas of blackberry, vanilla and oak spices. Rich and redolent with black fruit the wine is nuanced with lavender and espresso and anchored by deeply infused tannins.

“Bold, rich, dense and concentrated, with layers of earthy blackberry, wild berry, currant and pretty toasty vanilla oak shadings that give it an added dimension of flavor. Intense and vibrant through the finish, with lively acidity and firm, muscular tannins.”
