If our 2008 Merlot morphed into human form, it would be a yoga instructor - limber yet lithe and easy on the eyes. Lifted, hi-tone aromas of cedar wood spice, redolent black cherry and ripe plum radiate. The core is deeply fruited, super-supple and athletic, with balanced amounts of silk and sinew resulting in an endless routine of stretch, hold, and release. Fine-grained tannins underlie the soft tissue giving strength and length to the entire form.
