

## 2009 Reserve Sauvignon Blanc

Varietal	100% Sauvignon Blanc
Appellation	Napa Valley
Alcohol	14.5%
Release Date	April 2011
Case Production	100 cases

Our second-ever *Reserve* Sauvignon Blanc, with 6 more months of barrel age than the Napa bottling, is a ripe yet beautifully balanced wine, sourced from the summit of Mt. Veeder. Rich and vibrant guava, citrus and tropical fruits fuel the first lap with subtle mineral and toasty oak spices adding intrigue. Sumptuous creamy texture and expansive flavors meld with mouthwatering acidity keeping the wheels on track well beyond the long finish. From only 4 new French oak and stainless steel barrels, with no malolactic fermentation, fining, or filtration, this rare and racy wine will drive you to distraction.
